The cotton States east of the Mississippi are short 780,000 bales compared with the quantity gained last year to Nov. 1st. Unless this is made up there is no chance for a 18,000,000 bale crop.

**Thanksgiving.**  
Let us give thanks "at Thank-  
sgiving"  
That we're singing and laughing  
and living;  
Thankful, we say, just to live by  
the way  
In sunlight and starlight that  
scatter their ray;  
Thankful, indeed, for the rose and  
the gleam,  
The smile and the song and the  
beautiful dream.

Let us give thanks for the glory,  
The daily life's wonderful story,  
The fields that we know and the  
hills where the glow  
Of sunlight falls soft and the wa-  
ter brooks flow;  
Thankful, sweetheart, for the joy  
and the bliss,  
The arms 'round the neck and the  
loveladen kiss!  
—Baltimore Sun.

**A Year of Blood.**  
The year 1903 will long be re-  
membered in the home of F. N.  
Tackett, of Alliance, Ky., as a year  
of blood; which flowed so copious-  
ly from Mr. Tackett's lungs the  
death seemed very near. He writes:  
"Severe bleeding from the lungs  
and a frightful cough had brought  
me to death's door, when I began  
taking Dr. King's New Discovery  
for Consumption, with the aston-  
ishing result that after taking four  
bottles I was completely restored  
and as time has proven perman-  
ently cured." Guaranteed for  
Sore Lungs, Coughs and Colds,  
at Staten & Zoeller's drug store.  
Price 50c and \$1. Trial bottle free.

**Thanksgiving Proclamation.**  
Stripped of its formal parts  
Governor Glenn's Thanksgiving  
proclamation is as follows:

"While the excessive rains have  
damaged our crops, and twice  
during the year the public peace  
was marred by acts of lawlessness,  
yet our manifold blessings have so  
far surpassed our temporary ills  
that they call to us for thank-  
giving and prayer.

"The percentage of increase in  
the state (agriculturally, indus-  
trially, educationally and moral-  
ly) has been phenomenal, and far  
exceeded our fondest hopes. The  
prices of farming and trucking  
lands have largely increased in  
value. Industrial enterprises are  
being rapidly developed through-  
out the state and are paying good  
dividends. Peace and good will  
now exist between labor and capi-  
tal; no pestilence or scourge has  
visited our state, and with the  
above two exceptions law and or-  
der have been maintained.

"Our educational progress is a  
source of congratulation, as a larger  
number of more efficient teachers,  
better school houses and equipment  
mark a new and progressive peri-  
od in our school life, while the  
growing temperance and religious  
spirit of our people denote a moral  
condition never before witnessed.  
Thus in things material and  
things moral, we, as a state, have  
prospered during the past year as  
never before, and it is therefore  
appropriate that a certain day be  
set apart for praise to the Supreme  
Ruler of the Universe for the  
blessings so abundantly given.

"Therefore, that all shall have  
an opportunity of showing their  
gratitude, I, R. B. Glenn, governor  
of North Carolina, join with the  
president of the United States in  
fixing Thursday, the 29th day of  
November, 1906, as a day of gen-  
eral rejoicing and thanksgiving,  
during which day thanks for past  
mercy may be given and requests  
for future guidance made.

"On this day I ask our people,  
as far as is practicable, to suspend  
all business and grant a holiday,  
and to assemble at 11 o'clock at  
their places of worship and offer  
up thanks to God for His numer-  
ous blessings, and to consecrate  
themselves afresh to His service,  
and to the protection and building  
up of the state.

"I likewise ask the ministers of  
all churches on that day to espe-  
cially hold up before the people  
the blessings to come from a life  
of sobriety and industry, peace  
and good order, and by freely  
giving to the cause of charity,  
thus making us more loyal citizens  
and better Christians.

"I also implore all, while en-  
joying their holiday to do nothing  
that will tarnish the fair name of  
the state or dishonor God, but  
that all they do may increase their  
love of country and devotion to  
their Maker."

The dispatches tell of a woman  
Mrs. Alice Thornton, of Hunts-  
ville, Ala., talking after 25 years.  
She had passed through girlhood,  
womanhood and marriage without  
uttering a word. Strong corrobor-  
ative testimony is needed to show  
that she lived so long.

Maryann Butler says that he  
expects to be senator in ten years.

he is elected U. S. Senator he will

**Had a Close Call.**  
"A dangerous surgical operation  
involving the removal of a mali-  
gnant ulcer, as large as my hand,  
from my daughter's hip, was pre-  
vented by the application of  
Bucklen's Arnica Salve," says A.  
L. Stiekel, of Miletts, W. Va.  
"Persistent use of the Salve com-  
pletely cured it." Cures Cuts,  
Burns and Injuries. 25c at Staten

**Negro Baptists Denounce the Pres-  
ident.**  
At a meeting of the Negro Bap-  
tist Association of North Carolina  
at Salisbury Thursday, resolutions  
denouncing President Roosevelt  
for discharging three companies of  
the Twenty fifth Infantry, were  
adopted. The body represents a  
constituency of 160,000.

The resolutions "strenuously  
protest against the unprecedented  
and arbitrary action of President  
Roosevelt in punishing the inno-  
cent and guilty alike. No one for a  
moment believes that these com-  
panies would have been dishon-  
rably discharged if they had been  
composed of white soldiers. If ex-  
treme measures had been necessary  
in this present time of tension be-  
tween the races and of fear, fore-  
bodings, uncertainty, unrest and  
heart aches on the part of the  
colored people was the most un-  
propitious that could possibly  
have been found. The chief execu-  
tive of a great nation has estran-  
ged ten millions of his hitherto  
ardent admirers and supporters  
and it is the voice of the conven-  
tion to confer with similar commit-  
tees throughout the United States to  
take steps necessary to have the  
action of the President reviewed  
by the highest tribunal of the  
land."

In military and naval matters the  
President is the highest authority  
in the land. He is by the consti-  
tution commander in chief.

Wonder why our colored Baptist  
friends forgot to denounce the  
members of those companies for not  
giving evidence to prove the guilty?

The race tension is great, but  
denunciations without a remedy  
will not relieve the situation.

This is a white man's country and  
the sooner the negroes appreciate  
the fact, the better, for the white  
man, especially here in the South,  
has only the kindest feelings for  
the negro and would help him to  
advance. The white man should  
be discouraged.

**Lost and Found.**  
In returning from the Clark-  
Belamy marriage, Miss Mary  
Howard lost her diamond brooch,  
one of the last gifts made by her  
father. It was very valuable,  
intrinsically as well as sentimentally.  
Early this morning posters were out  
offering a reward of \$50 for its  
return. Without the reward it  
would have been returned but  
nevertheless the reward was offered  
and has been paid, and the open  
person, is Oscar Reed, a colored lad  
of about 17.

This morning in taking out  
the lap robes the brooch fell out.  
Having no idea of its value he de-  
posited it in his pocket, and when  
he had finished with his work  
with Messrs. Day & Hedges,  
whose carriage he drove to the  
marriage, he took the ornament to  
Jeweler Heilbronner and asked him  
what it was worth. Mr. Heil-  
bronner at once recognized it, and  
told him the owner. The posters  
advertising the reward then out,  
and had been seen by Oscar. Such  
a hurry that he made thence to  
George Howard's store, would  
take a Dickens to describe. He  
delivered the goods and now has  
\$50, or did have, for he said he  
intended to buy a suit of clothes  
and give the remainder to Mr.  
Howard to keep for him.

While driving that evening he  
lost a handsome buggy blanket,  
which he hopes some one, who is  
as honest as he is, will return it.

**Rheumatism**  
I have found a tried and tested cure for Rheu-  
matism! Not a remedy that will strain the  
stomach, but a remedy that will turn the  
bones back to their origin. That is, it im-  
mediately cures all curable cases of Rheu-  
matism, Gout, Gravel, Sciatica, Neuralgia,  
and all the other ailments of the bones and  
joints. It is a simple, safe, and reliable  
remedy, and it is the only one that will  
cure the disease. It is the only one that
