DOWNWARD COURSE

Fast Being Realized by Tarboro People.

A little Backache at first. Daily increasing till the back is lame and weak. Urinary disorders quickly follow. Diabetes and Bright's disease. This is the downward course of Kidney ills.

Mrs. E. B. Cuthrell, living at 209 Brown St., Washington, N. C., says: "I have received great benefit from Doan's Kidney Pills and am glad to recommend them. For some time I suffered from distressing pains through my kidney regions, accompanied by a dull nagging ache which extended into my shoulders. My kidneys were very weak, the secretions highly colored and showed that these organs needed attention. At night I was restless and in the morning felt tired and languid. When I heard about Doan's Kidney Pills I procured a box and after a short use the pains and aches disappeared, my kidneys were strengthened and the secretions from my kidneys became regular in action. I am feeling so much better and stronger that it gives me great pleasure to recommend Doan's Kidney Pills."

Remember the name—Doan's—and take no other.

States seem to be able to dominate the situation. This attempt to perpetuate power by using the government patronage is a danger to free institutions, and independent Republican voters are becoming indignant. This is the great objection to government ownership of railroads and other public utilities.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passages, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling about the treatment, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
