surprising, startling strangeness? An be packed in ice to Philosopher or Doctor but, The Truth not an Expounder but the Embodiment of the truth. Wiser far than Moses or Solomon, Hillel or Shammah, Gamaliel or Poull -not a "hedge to the law," but the Source of law; der that He was regarded as a madman? Is it any wonder they said,

'Come, let us kill him?" To us who have seen 19 centuries of change, and who, by race and coun try, are the children of revolution the shock of such claims and such teachings among a tradition loving and of that day, is almost inconceivable. To men who wrote the "hedge of the law," the tradition of the elders, who had spent their lives in establishing its minutest precepts of formalism, Jesus must have seemed a radical revolutionist indeed. Change, perhaps, they expected but a change backward that is, a restoration not an abrogation, not a passing away of the pomp

and circumstance of the Levitical ri ual. I am frank to say that the Outlook's able by the leaden feet of their sen-Jesus spoke an independence that to But worse still, the very acts of them must have smacked of rebellion against established authority! He to politicians curses both him who healed on the Sabbath days; He Temple and set up a new center of reverence and organized a new religious obedience. "If thou wilt be percity, in stilling that one voice from fect, go sell all that thou hast and and cansed the nation to blush. Calvary they waked ten thousand give to the poor and come follow The public has seep brewers sud-Me." Is it any wonder that they reechoes that shall verberate and reverberate around the world to the end garded Him as an insane dreamer? Is it strange that they said, "Come, let us kill Him?" For what priesthood but would resent such claims, what tribunal but would punish such pre-

tentions against their authority? But worst of all, perhaps, in their eye, was His claim to superior sand tity, to a cleanness that was above defilement, even by the touch of leper or association with sinners-a holiness and power that could comble shall become the actual, the mand even corruption and death to deliver up their prey.

And on these claims, this Man of vision has wrought so substantial a dream of an ideal city, of a sinless humanity, of an endless peace, of a parliament of nations and a brotherhood of man, of such complete banish ignorance, that again God shall tabernacle with man and His voice be heard in a new Eden.
