Wind Does Some Damage. One of the highest winds of th year prevailed a short time Thurs day, doing some damage here and there, but none serious, so far as reported. The fodder from some stack was blown away, loose brick store chimneys and structures were blown off, and roofs on some build ings, unsecurely put on, were over turned. Here and there, some timb from a tree came crashing down and even some trees, decayed or ill-root ed, were felled.

On July 30, 1619, the first legislative body that ever assembled in vice were held in the church's through America met in the old church at out America than those within the Jamestown. Therefore, at the outset, walls of St. John's when independence 1 precedent was established for the neeting of a political body in a house of worship.

Parenthetically, it may be remarke that the initial General Assembly the long roll of Vestrymen, connectsat with their hats on, following ed with this old church. the custom of the English lower

branch. the Vestry, and an eye witness of generation, and tourists who pause the Convention of 1775, has left an for a while, are impelled to read the

account of the scene, to wit:

"A resolution was passed for imm diately putting the colony into a posture of defence, and for preparing a Born at Tarboro, North Carolina, plan of embodying and disciplining such a number of men as might be died at Richmond, Va., Dec. 6, 1881 sufficient for that purpose. Henry J. Staunton Moore, who has commoved and Richard Henry Lee second piled a large mass of history related it. The fargs of European criticiing to the old Parish, writes that sm might be challenged to spread he was a frequent attendant at the themselves against the eloquence services held by Alexander W. Wedof that awful day. It was a proud dell, and, although not a communi one to a Virginian, feeling and actcant at that time, he had the pleasure ing with his country. Demosthenes of Dr. Weddell's acquaintance and invigorated the timid, and Cicero enjoyed his friendship as a man and charmed the backward. The multitubrother Mason for several years bedes many of whom had travelled to fore his death; also, he had discusthe Convention from a distance, could sed with him freely in a friendly and social way many doubts that beset

not suppress their emotion. Henry was his pure self, those who had toile. in the artifices of scholastic rhetoric, were involuntarily driven into an injuiry within the nselves, whether rules and forms and nicities of elocution would not have choked his native fire. It blazed so as to warm the coldest heart. In the sacred place of meeting, the church, the imagination Plain, simple and unaffected, devoid had no difficulty to conceive, when of slang and free from technical

was lying prostrate from the thunder of Heaven. Henry was thought in his attitude to resemble St. Paul. while preaching at Athens, and to speak as man was never known to s eak before. After every illusion had

Memory with her magic spell.
O'er the years shall fondly tell
How his glorious, active mind,
Loved and wrought for all mankind.

When he died a pall was cast not only over the church he hadeofatthfully served and loved so well, but over the entire community; yet we are consoled with the reflection that-"The, hever quite leave us,

friends who have passed. Through the shadows of death, the aunlight above. A thousand sweet memories are ing them fast haps beyond his own expectation. Jef

To the places they blessed

their presence and love.'

The restoration, aye, it may ruthfully said, the resurrection St. John's Church is due to the strenin 1875 there were but 118 communiants. By his carnest real, his affa offity, his sincere piety, he increat ed the number to 221, the membership ontinuing to increase yearly until he rested from his labors, adding dur ing the eight years of his ministeria ed the idea of peace 'when there was work 503 communicants and present ing for confirmation 243, the largest past forcy years has been peculiarly a church of transition. The constant change of the personnel of the con-

gregation has been remarkable and probably unparallel in Church history The tendency to 'move up town' by the pisidents of the Old Hill as the city grows westward has been going on from year to year, thus causing a shifting membership-here today gone tomorrow! The tale is told it 'mournful numbers' as the words 're moved or transferred' appear op posite names on the commun leant list."

Alexander W. Weddell, a native Edgecombe county, was the son o James Weddell, who, in early youth The result of these deliberations came to this country from Scotlan and settled in Eastern North Caro On July 17, 1775, the Convention ine worth and persistent effort h assembled again in St. John's and secured success and commanded th this session busied itself with organisation of the troops and the adophim, As an honest, reliable mer chant and a gentlemen in social tife Towards the close of the Revolu

he exemplified the strong positive traits of Scotch character, Ha man ried MI s Margaret Ward, of Tarbord N. C. the union of which clessed with three sons, John, Aleo ander W. and Virginus, When hi boys were very young, Mr. Weddel moved with his family to Petersburg At the outbreak of the Civil War, al three of the young men, who has grown up amid the most favorable surroundings and gave promise of

future life of usefulness, enlisted the Confederate army, John, the eldest, was killed at Chancellorsville. and Virginius, the youngest, died o injuries sustained by the falling of a limb which had been torn from 1 tree overhead, during the course of an engagement when his company was supporting a Confederate

battery. The second son, Alexander was lieutenant of Company C., Forty-first Virginia Regiment and after wards became its captain. Later on he was detached to serve in the signal corps, and read the cipher dispatches received by President Davis. Having fortunately passed through the entire struggle without accident he entered the dry goods business in

Petersburg, but, being an educated young man, he desired to enter profession and, having been advisel by friends to choose the ministry in preference to the law, es person ally he was undecided, Mr. Weddell left commercial life and in 1868 be came a member of the Middle class ters, and that many sermons had of the Theological Seminary at Alex andria
