SOUTHERNERS FOR SOUTH.

The Young Men of This Section, Though Welcome Elsewhere, Should Stay at Home and Develop It.

There is apparent need for such adnomicion as that given by one of the speakers before the young men of the University of North Carolina at n cent commencement exercises One of the greatest difficulties with which the South has to contend is its oss through immigration to the North and West of energetic and capable young men. Instead of developing the resources of the South and creating opportunity there they go elsewhere in search of it. The North and West emigrants would not have been equally successful, measured by the stan- tough enough to break the teeth of of 1908 being valued at \$1,616,000,000, dards of the South, had they re
