ADULTERY.

"Hardly had the betrothal of Prince George and Princess Mary been announced," says Philip Hume Forster in the Woman's Home Companion for August, "when the future Queen of Eng land had opportunity to test her sense of duty and her self-control. While the Duke of Clarence had been studing statesmanship as heir to the English throne. Prince George had been slowly but surely advancing in the royal navy. As an admiral his flag-ship had been stationed off Marta, and here he had met, wooed and won the beautiful daughter of Admiral Seymour Before marrying her, Prince George had written a formal renunciation of his claims to the threne of England and for a few years and lived very happily with the fair haired, blue-eyed English wife who flitted from colonial port to colonial port to cross bats here with our highly elatmeet her royal husband. One ed amateurs who have taken winter they spent in Bermuda, scalps from one of the best where they were most popular with in the State, Elm City and from as both English and American elever a set of boys. Tesidents.

and another to have his renounciation accepted. Queen Victoria so the engagement of Paincess That town has a first class The young princess did no into hold his affections, and she went about the task of winning here this is what is being done. the love of the man whom fate had decided should lead her to throne. In fact, it was generally felt in England that she was brother.

George was provided for, it is said sitting at the bedside of his sleeping er, and since then no shadow of sances might be cited but an an scandal has ever entered the life ecdots of Vendi told by Carlo Cecaof the young couple."

The Woman's Home Comranion heads this as "The Love Story of George V." It is all right as a love story, a toyal romance; but nevertheless it is of no credit to the present king, As king of England he assum's all the lying attributes of the lacivious Henry VIII; Head of the Auglican church-Defender of the Faith. How is man or a people who believe in one wife and husband, can tolerate such a proposition as marrying one woman with the left hand and then turn around, ectedly called to the bedside of and without a divorce, marry dying friend one of the few who had another with the right, is some. remained faithful o him in advetrs. thing that the Aryan race never ty and prosperity. Verdi at the sanctioned; a wifely consideration that was never thought of by the that Jesus Christ, although a of his anguish. Semite, denounced, and yet here is a man, who poses as the head of archy does not permit a nou-royal born to be a princess.

What assininity! What disregard of the teachings of Jesus and his apostle St. Paul!!

BALANCE OF TRADE.

If one would read the financial articles in the papers and just ance of trade being slowly dults. Sold by all druggists. slipping from this country, one might conclude that these United States were on the eve of going whence the preachers are trying

The trouble seems to 'e about this; our exports are not exactly falling off; but we are buying so much more than we have been, that our imports are about to equal the amount of stuff we send away.

imports being a favorable balance and he considers the was conceived by the protected industries of the country and the most ar istic instrument in made a rallying ery with the every respect. republicans whom these grafters were supporting.

Trading between individuals with must mean that there must be an cutgo equal to that which is received, without this there must be unadjusted a counts, which request. later or sooner must be balanced and paid. What is true as to are sold direct from maker to you, individuals is equally applicable at the lowest factory prices; a to nations or countries.

A personal instance will illust. Price List rate: that cleverest and most accommodating of cashiers, Luther Hart, had the hardihood and gall to notify this editor that he had overdrawn his account at the bank.

Now this export or outgo idea was the thing this editor had been practicing or that very same NEW PROPOSITION: bank and the balance should have been in our favor, if the favor b'e trade balance idea ho!cs

g od. Now good friend Hart knows that it would be best for the bank that we never checked out more than we had if quite so . mu h. If our balance remained below the debit line too long he would as he should charge inter-
