TAX STUDIES. Offer Many Suggestions to the Coun-

ty Commissioners. The making out of the tax has reached the point when the the Southerner takes advantage It to compare with last year.

In some respects the figures little; in others the margin is get very busy and after the magnan imous and considerate treatment they gave delinquents last should be impelled to make example: of any and all who now fail to show and a long large-eyed needle is us up as they should.

Tarboro Township The Southerner takes totals leaving the individual to the commissioners. 423 persons listing their polls last year, there were only as white gentlemen last year, The colored polls were 396 this June and 369 last.

But the land history is one cording to the survey this township 1,000; if that much in town yet only 19,484 acres were against 20.670 last year. What become of that 1.000 acres? And other 4.000 acres?

The value of town lots increased last year \$795,000 to \$938.000; increase of over \$200,000. The value of town lots owned

colored people increased at same time over 9 per cent \$71,475; and colled snakes in black last year \$67,750. The value of land in the township pattern for the coarse weave

this land given in as town lots? crease in the other suggests Yet the number of town lots creased from 855 to only 910.

its listed last year after the dist had been made out. The total increase for the township living room set of raffia embroiderwas a little over \$50,000.
