Mr. Cooley did you get your bootie!

And now for the Democrats to stick together!

As long as Taft likes Mary Ann Butler, where is Taft!

Even Small was not as large as a Kitehen when it comes to the marjories.

The U. S. Senate has its restaurant, but the real thing it should have is a Kitehen and call it Bill.

We doubt if the few votes cast for James Pender will keep Judge Cook awake.

The Republicans in this county are to be congratulated on obtaining no more votes. The less for a bad thing is the best.

As the Democrats go into power it is well to inquire "what is De mocracy? On this answer hangs harmony and probably Harmon and Wilson.

R. G. Allbrook enjoys the distinction of an unanimous vote for solicitor in Edgecombe. We are all solicitous and certain that he will "make good."

After seeing how the elections have gone in the other states, we naturally wonder why so much was said as campaign argument a gainst Mary Ann Butler.

Outside or beyond the decisive Democratic victory all citizens have cause to rejoice that the county is now rid of two disturbances, Teddy Roosevelt and Billy Bryan. Requisite in pace.

Pinetops Items.
The farmers have just about harvested their crops in this section.

Miss Willie Pitt of Davittown is spending the week in town with relatives.

Mrs. H. Stallings and Mrs. J. L. Dunn spent Tuesday in Tarboro.

A Thanksgiving Hop will be given in the Pinetop Bank Co.'s Hall Thursday night Nov. 24th.

The public is cordially invited.

The shipments of cotton seed and peanuts from this point is heavier than it has ever been up to the present time.

Miss Alma and Miss Lucy Suez spent some time in Wilson last week.

GET THE HABIT.
Begin to save. Money is your Best Friend. The Savings Bank is paying 5 per cent Compounded Quarterly.

Just think of it. Five per cent Compounded Quarterly is better than six per cent on mortgages. Seize the time of \$1.00 or larger, start the children to save. See—

NO REASON FOR IT.

When Tarboro Citizens Show the Certain Way Out.

There can be no reason why any reader of this will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of diabetes of any kidney ill when relief is so near at hand and the most positive proof given that they can be cured. Read what a Tarboro citizen says:

Mrs. B. Pittman, Walnut St., Tarboro, N. C. says: "For some time I had not been feeling well and I thought that my kidneys might be disordered, as my back was very weak and the passages of the kidney secretions were irregular. My husband got me a box of Doan's Kidney Pills from Cook's Drug Store and since using them, my back has become stronger and my kidneys are normal. I can say that I am feeling much better in every way and therefore am willing to recommend Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

The management of the First National Bank was indirectly the cause of the people of Tarboro getting Four Per Cent on Certificates of Deposits. Now under the live energetic and economical management have decided to pay Five (5) Per Cent Compounded Quarterly in their Savings Department. Many of our Stockholders are successful business men by their own efforts and are capable of looking out for the careful safe guarding of our funds, as well as their own affairs, and also make a first class security for the bank.

The Rev. I. R. Hicks 1911 Almanac.

The Rev. I. R. Hicks Almanac for 1911, that guardian Angel in a hundred thousand homes, is now ready. Not many are now willing to be without it and the Rev. I. R. Hicks Magazine, Word and Works. The two are only One Dollar a year. The Almanac is 25c prepaid. No home or office should fail to send for them, to Word and Works Publishing Company, St. Louis, Mo.

A PEANUT YIELD.
What This Year Can Be Made
The record Spanish peanut yield in this section is probably held by Stephen O. Purvis; but this year a cropper on L. V. Harts farm has the best this reporter heard of.
On four and a half acres he picked and sold 4,100 bushels, or a fraction over 31 bushels to the acre. These he sold for \$1.10 per bushel which measures in money \$100.00 per acre.
The farmer or cropper who can beat this is invited to speak out.

Leggett Items.

PERFECTION OIL HEATER
Absolutely smokeless and odorless
It gives just as much heat as you desire. It is safe, odorless and smokeless.
It has an automatic locking flame spreader, which prevents the wick from being turned high enough to smoke, and is easy to remove and drop back, so the wick can be quickly cleaned. Burner body or gallery cannot become wedged, because of a new device in construction, and can always be easily unscrewed for reworking.
An indicator shows the amount of oil in the font. Filler-cap does not need to be covered down, but is put in like a cork in a bottle, and is attached to the font by a chain. HAVE YOU BEEN TO WOLFOLK?

Several months ago a gentleman of Tarboro came in the store and told me that about one year before he went to Norfolk to have his eyes examined, and the spectacle that he bought there did not suit him at all. The writer examined his eyes and found that he had Myopia, so I fitted him with a pair of mine lenses. He wore them for three months and was so well pleased with them that he came in and gave me an order for another pair just like the first one as he said he was afraid he might break or lose them. Drop in. I can suit you, too, and will also tell you the gentleman's name. He will tell you to have your eyes examined by W. L. Bell

At Bell's Jewelry Store.
