ARRAIGNED AS A BLASPHEMER Matthew 26:57-68-November 27 "Who when he was reviled, revised not again." I Peter 2:23.

E cannot do better at the opening of this study than quote the words of Mr. Chandler. He said: "Many remarkable trials have characterized the judicial history of mankind. The trial of Socrates, before the dicastery of Athens, charg-

ed with corrupting the Athenian youth, with biaspheming the Otympic gods and seeking to destroy the consti-tution of the Athenian Republic, is still a sublime and thrilling chapter in the history of a wonderful people. "The trial of Alfred Dreyfus is still fresh in the memories of men. The

French Republic is still rent by contending factions. His friends say that Dreyfus was a Prometheus who was chained to an ocean-girt rock while the vulture of exile preyed upon his heart. His enemies still assert that he was a Judas who betrayed, not God nor Christ, but France and the Fatherland. But these trials, one and all, were tame and commonplace compared with the trial and crucifixion of the Galilean peasant, Jesus of Naza-

In Defense of the Jews It is not for us to say that the Jews were wholly excusable in their course of injuries toward Jesus in causing his crucifixion by the Romann On the other hand, it is proper for us to con-sider everything that could be thought of calculated to mitigate the severity of our judgment regarding the injustices there practised. And it is proper also that we should consider what, from their standpoint, would seem to be extenuating circumstances. This

like unto David and Solomon, but

is everywhere recognized as just treatment. The attorney, defending a criminal who has plead guilty to the charges against him, is considered to do only his duty by his criminal client when he presents whatever in the circumstances of the case would tend to

the whole earth. The Jews, who caused the crucifizion of Jesus, certainly did so in much the same spirit which led St. Paul-then Saul of Tarsus-to cause the stoning of St. Stephen. As Saul was forgiven, so Israel is to be forgiven; as the Scriptures declare, "The Lord will pour upon them the spirit of prayer and supplication," and then they will see, with the eyes of their understanding, "him whom they pierced and they will all mourn for him" (Zechariah xil, 10), and their mourning will be turned into joy; for,

CHARGED WITH BLASPHEMY, BECAUSE HE SAID, IAM THE SON OF GOD

as Joseph forgave his brethren, so will this great antitypical Joseph of the throne of earth freely forgive those who caused his crucifixion.

Politics and Selfishness as Religion The Jews are not so different from other people now, nor were they then, History indicates that some of their highest offices were held by irreligionists for their political influence; thus the chief-priests, at the first advent of our Lord, was a Sadducee, who wholly disbelieved in the promises of God to Israel, including a disbellef in the resurrection of the dead. Similarly today there are high-priests, both amongst at the right hand of Divine favor. Jews and Christians, who disbelieve, This, the High Priest declared, was and yet hold high positions. Amongst sufficient proof of blasphemy. "Be-

Jesus had great infisence with the COAST LINE OFFICERS ARE ALL common people. They believed him to be a brilliant but harmless fraud. He had committed no crime, but be was a disturber of the peace, and they felt fully justified in taking his life. The Feast of Passover was at hand and would last a week and it would be contrary to their Law that any ex- Line in annual session in Richmond ecution should take place during that week. Besides, they feared the amount

of infinence which Jesus might exercise during the week, when there would be from one to two millions of people in and around Jerusalem from the year of \$6,993,254.03, an increase all over Palestine. They had already as compared with the corresponding letermined that their action must be short, sharp and decisive. This was decided before the arrest was made. They were ready and waiting at that light hour to carry out their murdorous designs, for the goad of their nation, as they thought. The examination was merely a preliminary one to get together such eviience as at the morning Tribunal

could be rushed through rapidly at a prearranged session. He Was Charged With Blasphemy

They had difficulty in finding a charge. For what had Jesus ever done except acts of kindness and the uttering of words of wisdom and correction and hope? Blasphemy was a serious charge under the Jewish code. They would charge him with that as being the easiest to prove. He had said, when near the Temple, "Destroy this Temple, and I will rear it up in three days." "But he spake of the temple of his Body." Some of those who heard him understood him to speak of the literal temple. This they charged was blasphemy, because it took years to build the temple, and for Jesus to rebuild it in three days would mean a claim on his part of Divine power. But the charge did not seem sufficiently strong, even for those who had premeditated his murder. They

wanted something to give a color of justice, at least, to their findings. So The first fixed and official day the chief-priest thought to get Jesus to commit himself in their presence and 1665. In the old public records said, I adjure thee by the Living God to tell us whether thou be the Christ. the Son of God. Jesus replied that this was true and that they would yet see him in heavenly glory and power
