Prof. Cobb Kiwanis Speaker

Prof. E. W. S. Cobb, chairman of the Kiwanis Educational committee, held the club members spell bound today at the noon luncheon when he delivered an address on the ideals of Kiwanians and compared them with the great men of the past. He told of the great advance in methods and equipment of our schools and predicted greater things yet for our civilization in educational and spiritual development.

Largest Nugget From North Carolina

Speaking before the Kiwanis club a week ago, Mr. Thos. L. Elder, stated that North Carolina produced the largest gold nugget. It was found on the Reed plantation in Cabarrus county in 1799. It was 8 1-2 inches long, a half inch thick, weighed 28 pounds and was worth \$6,500. Mr. Elder is a historian and authority on rare coins and paper money. He says he will be glad to inspect anyone's collection.

Lynn Baptists Reach 170

The highest mark yet attained by the Lynn Baptist Sunday School was reached Sunday when 170 people turned out for Sunday school. This is an increase of over a hundred within the past few months. The average attendance had been between 60 and 70.
