Kiwanis Enjoy Fine Program

One of the best programs of a joint Kiwanis meeting was held Tuesday night at the Columbus hotel when Forest City and Rutherfordton joined Tryon in a union meeting of fun and fellowship. An excellent meal. Columbus members furnished the Ritchie-Barnett string band which rendered delightful music. Rutherfordton pulled some good stunts that shook the rafters with laughter. Forest City's contribution was a short sermon by Rev. Ayers who spoke on "No man liveth to himself" and an exposed office record by Secretary W. L. Brown. A potato eating contest staged between Editor Price and Mr. J. T. Harris resulted in victory for Mr. Harris. Other talks were made by Dr. R. R. Howes, Prof. Jarvis, Dist. Trustee C. J. Lynch, Pres. F. W. Blanton and Mr. John Landrum of Landrum, South Carolina. The two little Keeter twins of Rutherfordton sang several delightful songs. Dr. Clark gave the welcome address and President H. H. Doggett of Forest City responded.
