Wm. C. Burnett kindly sends us a clipping from the Greensboro Daily News in which is listed the name of Dan S. Rion of Tryon, winner of the State college Haddock scholarship cup for meritorious scholarship. Dan's friends in Tryon are proud of him.

William Burnett, who is secretary of the U. N. C. branch of American Institute of Electrical Engineers, has been a subscriber of the Bulletin while at school ever since the little paper was founded, and is always thoughtful to pass on to the home folks the doings of our college students, but never says anything about himself.
