Another Auto Collision

An auto collision happened Wednesday afternoon about 6 o'clock on the Highway between W. Y. Wilkins corner and the ice plant. Mr. W. R. Brabson of Limestone, Tenn. riding a portable house on wheels passed Mr. Erwin Swann in a Ford roadster, and as Mr. Brabson turned back into the right side of the road the rear end of his car-house struck Mr. Swann's car and turned it into an embankment where it was wrecked badly, with bent fenders, and broken front wheel and axle. Mr. Swann was thrown against the steering wheel which was broken in two pieces, but he received only bruises and cuts.

Blanton Hardware Moves

The Blanton Furniture and Hardware Co. of Columbus are moving from their present location in the Williams building to the Pattie building where they will occupy two large store rooms connected by a large arch doorway. One side will be used for furniture and the other for hardware.

Columbus P.T.A. Meets

Friday night at 8 o'clock at Stearns Auditorium. An interesting black-face program has been arranged. A short business meeting will be held. Cookies and cider will be sold. This is the first meeting of the new school year.
