School Bill Introduced

RALEIGH, Jan. 27.-Senator W. K. McLean, of the 27th district, has introduced a bill in the upper house of the General Assembly, to appoint the school committee for Green Creek school district in Polk County.

The bill would abolish the annual public election scheduled for the first Saturday in February; and would authorize the Polk County board of education to name the members of the committee, beginning in 1933.

However, the first board would be named in the proposed act for two, four and six years with the provisions that the board would name their successors for six-year terms.
