## New Mail Service Here

When the morning train from Spartanburg was discontinued the postal officials had to find other means of getting the morning mail from Spartanburg to Asheville, so this morning a Star route truck brought the mail to Tryon at 8:15 bringing mail the same as the train did. This is a big help to local business people.

## Mrs. Case Dead

Aunt Betty Case, well-known white woman of Warrior Mountain is dead at Mr. John Fisher's. Funeral Tuesday at Friendship church.

## Saluda Woman Dead

Mrs. John Hipp of Saluda died Saturday at Black's Hospital in Spartanburg. Husband and several children survive.

## John Bradshaw Dead

Well-known man of the mountain near Howard Gap, dropped dead Sunday at Greer, S.C. where he was visiting his brother. Wife and several children survive. One son Stuart, works with the Southern Mercerizing Co.

## The Citizen 20 Years Ago

That "it pays to advertise" is evidenced by the fact that Mr. J. C. Johnson, who is in Asheville conducting an advertising campaign for the benefit of Tryon, yesterday received a letter from a man in London, England, saying that he was thinking of moving his family to America and, having seen advertising matter relating to Tryon, was anxious to have further information as to the advantages of that town.
