Leonard's Miniature Golf Course is open now every day. Advertis-
ment starts Monday in the Bulletin.

Hawk Trapped Yesterday

Carl Grisold, well known local farmer, was foxy enough to catch a large
hawk which had killed a hen. He drove the dead hen's foot in the
ground and covered the body. Then set a steel trap, and when Mr.
Hawk came back to get the chicken he stepped into the trap. His foot is
at the Bulletin office. His wings were 32 inches long.
