Columbus Bank to Open

President Fred W. Blanton and Attorney J. Lee Lavendar returned yesterday from Marshall with the good news that Judge McElroy had decided in favor of Polk County Bank and Trust Co. against the Continental Mortgage Co. and the Central Bank & Trust Co. of Asheville in regard to some notes held by those institutions. The decision will allow the **Columbus bank to re-open with little material change, and leave a surplus of \$6,000 in the bank. As soon as a few minor details are completed the bank expects to open within a week.**
