Citizens Meeting Tonight

Tonight Democrats, Republicans, and others will gather at the City Hall to discuss a Citizen's tickets for City council, mayor, school board and cemetery commission. We have been reliably informed that the following ticket will be one of those presented for consideration: For Mayor E.E. Missildine; Commissioners T.W. Ballew, J.C. Fisher, J. S. Arledge. School Board James Lankford, D. A. Shields, and W. W. Creasman. Cemetery Commissioners T.H. Coggy, Mrs. Alice K. Missildine, Broadus Ford.

A Public Duty

It is the duty of every public spirited citizen to attend the citizens meeting tonight whether he agrees or disagrees with things as they are. If you like things as they are and want all the present officers back in office go to this meeting and nominate them. They will appreciate it. Any public officer who is doing what you think is his duty deserves it. If you want Dr. Missildine back as Mayor nominate him. He will like it lots better than to have to run as a civic duty. If you want somebody else, nominate him. Town affairs are non partisan. They belong to the whole community.

Funeral services for Mr. Austin Newman will be held at the Columbus Baptist church Saturday morning at 10 o'clock. Rev. Chas. B. Trammel officiating assisted by Rev. D.M. McGeachy. The following boyhood friends will act as pallbearers: H.H. Carson, Alberta Burgess, Lewis E. Denton, Ray R. Arledge of Hendersonville, T.P. Clark, J. T. Smith.
