Dr. Clark, Baccalaureate Speaker

Dr. John Brittan Clark delivered an inspiring baccalaureate sermon last night at the Landrum High School graduating class. His text was, "Nevertheless David took the strong hold of Zion". The main thought of Dr. Clark's sermon was that if people said that a thing could not be done and you knew it could, go on and try, and with the help of God you will do it. Rev. W. P. Meadows gave the Invocation and Rev. A. C. Odom the Benediction. The music was furnished by the High School Glee Club.
