

SPRING SALE

Pianos, Radios, Musical Instruments of All Kinds—Pianos Rented

Never before have we offered such exceptional bargains. We have purchased for cash, manufacturers bankrupt and quit business stocks of pianos at a small part of their value, and now we place this merchandise at prices and terms that will make it possible for every child to learn how to play the piano. Some of the pianos are brand new, some slightly used and some rebuilt and refinished—all in first class condition and guaranteed. Our prices are so low that many music stores in this section of the state and N. Carolina have been purchasing pianos from us and reselling them at a good profit.
