## Golf Tournament July 4-5

The Tryon Country club has announced its annual July golf tournament, to be played July 4th and 5th over the interesting ninehole course in Pacolet valley. Last season several Spartanburg golfers made excellent showings in the tourney and might have come home with the works except for a rather rude interruption by Fred Webb, the Shelby genius. Tryon welcomes all golfers to the tournament this summer. *Spartanburg Herald Editorial.*

## What Is The Most Popular Sin?

There are so many sins, who can say? Faults, wrong doings, down-right sins cling to us like leaves on a tree or weeds in a field. Which is the biggest leaf on a tree, the biggest weed in the field? Dr. Clark answers that question tomorrow morning at the one hour service in Erskine Congregational Church, beginning at eleven sharp.
