## Making Nature Trail

Mr. B. E. Smith of the Botanical Dept. of the University, who is now teaching botany at the Boy Scout Camp is making a nature trail at the scout camp, along which will be planted the wild flowers of this region. The flowers will be tagged with their name so that anyone may learn their names. Pressed samples are also being prepared for the Camp museum for study by the scouts. Mr. Smith spoke at the Kiwanis club today.
