## Political War On

A meeting was held yesterday afternoon in Missildine Hall about 5 o'clock. The Bulletin did not hear of the meeting until a few minutes before time. No public notice of the meeting was given as far as we know. And since the meeting was held in a private Hall the Bulletin did not intrude. Mayor Missildine presided, and we understand that the purpose of the meeting was to lay plans for a public meeting to be held at the Parish House Friday night. An effort is being made it is said to have City Commissioners, T. W. Ballew and R. S. Jackson recalled for making some changes in the personnel of the city officers.

### *The Following Notice Was Given Us Just Before Press Time*

At an informal and largely attended meeting of residents and tax payers of Tryon held on June 24th, the following preamble and resolution was adopted by unanimitous vote:

WHEREAS: the newly elected commissioners of the Town of Tryon in their recent appointments of City Officials have wholly disregarded the faithful and efficient services of men whose ability has been proven through a period of years; and

WHEREAS: at a time of great unemployment and financial stress they have appointed to a position of trust and emolument a non-resident, non-taxpaying citizen of another Town and one who is wholly inexperienced in the management of our complicated water system and fire department; and

WHEREAS: it is particularly desirable at this time that the affairs of our Town shall be administered with a maximum of efficiency and a minimum of cost;

**BE IT RESOLVED:** That a meeting of residents and taxpayers of the Town of Tryon be and is hereby called for Friday evening, June 26th, at 8 p.m. at the Parish House to discuss ways and means for securing harmonious, efficient, and economical administration of the Municipal affairs of Tryon during the ensuing year.
