Dear Sirs:

My Majestic radio -model 253- arrived yesterday in perfect condition. I installed it and it performs wonderfully. Am more than satisfied.

Sincerely yours,
A. C. Case

Above is copy of a card received unsolicited from Mr. Case today. While in Tryon he used a Majestic radio, and on his return to New York, ordered one shipped to him for use in his home there.

In order to fully appreciate the performance of a Majestic radio, you should listen to one in your own home. It is a pleasure for us to demonstrate one, without cost, or obligation on your part to buy. Call us today.
