# Hotpoint Electric Range

*Make It a Holiday For Her, Too!*

It's far easier to prepare Thanksgiving dinner--far easier to roast that turkey "to a turn"--on a new, automatic HOT-POINT Range.

Cooking Is a Delight—When Done  
Electrically

There's less kitchen drudgery--more time for recreation and other household duties, if you own a Hotpoint Electric range. It's like having a maid at no cost. For electric cookery is clean, cool, quick, economical, simple and, above all, dependable! Ask your neighbor who enjoys this convenience!
