
The Tryon Daily Bulletin

Vol. 5 TRYON, N.C. THURSDAY, AUGUST 4, 1932. Est. 1-31-28

July Weather Report

Weather Data For Tryon for month of July, 1932. by W. W. Creasman.

Maximum temperature	100
Mean Maximum	93
Minimum temperature	53
Mean Minimum	68.7
Mean temperature	80.3
Total Precipitation	inches 5.12

Just for comparison lets look at July 1931

Maximum	100
Mean Max.	93.2
Minimum	61
Mean Min.	66.2
Mean	79.7
Precipitation	3.71

You can see that the mean temperature only varied .6 of one degree between the two years and going back over the last twenty years there will be found only a difference of very few degrees by the month or even the entire year, We are easy to forget from year to year just how hot or how cold last year was.

Look! Today
