### Dr. Keller Comments

In this column we will publish for a few weeks a daily comment by Dr. Lewis H. Keller, a summer resident of Tryon.

Unusual is Tryon's business street. Homey, sociable, with good business life. Wide is the variety of interesting people one meets. It is the kind of street to build memories in the young that in later years will draw them from afar to the old home town. And many of our boys and girls will go out into the world and succeed and honor the old home town.

Miss Katharine Jones has been elected to teach at the Burlington school which will open September 12th.

Mrs. S. V. Brumley and little daughter, Ann, of Spartanburg are spending this week with Mrs. Brumley's sister, Mrs. Fred W. Blanton.
