

The Tryon Daily Bulletin

Vol. 5 TRYON, N.C. TUESDAY, AUGUST 9, 1932. Est. 1-31-28

NEWS

is the heart and soul of the Bulletin. Every party or visitor you or your friend has helps to make this little paper sought by people in general because it tells about you.

Telephones 174 & 124 R 4

Saturday's issue of the Tryon Daily Bulletin carried 25 news items about Tryon and Polk County. The Herald of same date carried only 25 news items about Spartanburg and the whole of Spartanburg county. This just shows you that the little Bulletin is serving its people locally as good as the larger dailies serve their communities locally. And best of all it proves that the loyalty and thoughtfulness of our friends in telephoning us the news or giving it to us on the street is worth more than the services of a large paid staff of writers. The more news you send us the better acquainted we all become and the more we know of each other the better friends we become.
