Mr. Coggey is First

For the past two years about this time J. H. Rion, depot agent, has been the first person to renew his subscription to the Bulletin. Last year we had a C.O.D. freight package and couldn't get it out for lack of money. Mr. Rion reached in his pocket book, took out the year before receipt for the Bulletin and said "Write me another receipt on the back of this one and I'll give you \$1.50". He must have had faith in the Bulletin. This year Mr. T.H. Coggey is first. Today being notification day, he sends in his subscription renewal which notifies us that all those good citizens who four years ago took a chance on subscribing to the Bulletin will be asked soon to renew. The Bulletin was established Jan. 31, 1928. The paper was distributed free until August when with considerable fear we started charging in order to have the Bulletin entered as second class mail matter. Encouraging readers spurred us on and we now print more at a regular subscription price than we did when we gave them away, thanks to so many people who are interested in the welfare of their friends and the community. We hope to serve you better in the future.

Dr.B.B.Bishop will direct the Variety Show, at the Parish House Aug. 18, Benefit Helping Hand. Admission 15 & 25c for a good time.
