105 Converted at Beulah

Beulah Baptist church in this county was the scene of a wonderful revival during August. The little church has only 75 members but during the meeting 105 people were converted, 29 of them joined Beulah while the others united with various churches in the county. The baptizing took place Sunday at White Oak Creek where between 500 and 1,000 people were witnesses. During the revival the crowds were so large that two ministers had to preach at the same time, one inside the church and one to the crowds outside. The preachers were Pastor H. J. Ollmond, assisted by Mr. Early of Spindale.
