## Philco Fills the Air

A new two speaker Philco radio just arrived at Avant Electric Co. is attracting much attention by its splendid reception and beautiful tone. Red Harrison has painted two large white arrows on the sidewalk leading to the radio and invites people to go in and hear the music. Many people do not walk on the sidewalk there to see the arrows, so Avant Electric Co. put an Ad in today's Bulletin for more people to come hear this good radio.

## Another Still Gone

Federal Officer Owens raided Pea Ridge yesterday and captured a still, 101 gallons of liquor, and put under bond, Garfield Pritchard.
