The Wesley Brotherhood will hold its first Ladies' Night on Thursday of this week. Supper will be served in the church dining-room by the ladies of the Methodist church. All members of the Brotherhood are urged to bring their wives. Any member may invite as many friends as he wishes for this occasion, and friends and members of the church who are not members of the Brotherhood are cordially invited. The only request is that all those planning to attend notify Mrs. W. W. Creasman or Mrs. J. S. Cromer in order that reservations can be made.

The Tryon Parent-Teacher association met Monday afternoon at the school auditorium to hear Dr. G. F. Taylor give a delightful and instructive talk on the idea of the difficult or problem child and the home as a sieve. Dr. Taylor stressed the point that the home must act as a sieve or filter, letting in only the things that you want in. In other words the sieve or filter is your common sense or standards. At the close of the address the meeting was opened for questions and discussions.

During the business session it was announced that the P.-T. A. had voted to pay \$40 toward a set of encyclopedia books which is needed for the school library. Also plans for a kitchen shower for the new domestic science department were announced. The meeting adjourned to have tea in the cafeteria with hostesses Mesdames Stackhouse, Butler, Edwards and Taylor.

Mr. and Mrs. Willard Young have returned to Wilmington, Del., after visiting Miss M. E. Young.

M. A. Richards, chairman of the Hall and Music Committee for the President's Birthday Ball, to be given at Oak Hall on the evening of January 30th, stated today The Buccaneers would definitely play for the dance here, despite announcements in the Asheville newspapers to the effect that this famous orchestra would furnish the music for the Asheville ball.

Following the appearance of the announcement in The Asheville Citizen, Mr. Richards wrote to Mr. Stringfellow, director of the orchestra, regarding the matter and received the following reply, in part: "In regard to the newspaper article, it was a mistake on the part of Mr. Enwright at the Vanderbilt hotel . . . a more accurate story will likely appear at a later date."
