Dr. Gantt at Kiwanis

Dr. L. Rosa Gantt, head of the Polk county unit of the American Woman's Hospitals Association, addressed the Tryon Kiwanis club Tuesday and gave a brief summary of the splendid work this organization is doing to improve the health conditions of Polk county. Over 10,000 visits to children have been made and 15,000 defects found; 1,000 children of pre-school age were examined and visits made to 2,000 homes to give aid in any way possible to help people live cleaner, healthier, and happier lives. Mrs. S. C. Dailey, the A. W. H. head nurse, was also a guest of the club.

Judge John M. Oglesby of Concord, presiding over the Polk county Superior court at Columbus was the guest of Attorney M. R. McCown and gave a short, delightful talk in which he praised the work of the A. W. H., the work Tryon people in general were doing and especially the Boy Scouts, and called the attention of the club to the Scout cabin at Harmon Field being built under the direction of C. J. Lynch. Judge Oglesby said "There's no better way to empty jails of North Carolina than by putting the youth in Boy Scout work."

Thomas Costa, a native of Porto Rico, but recently of Cleveland, Ohio, who is building a home near Tryon, joined the club yesterday as a new member. H. B. Vanderhoef of Greenwich, Conn., and Dr. George F. Taylor were also guests.

The Nancy Bomar Bible Class party that was to be held at the home of Mrs. Bollinger on Thursday evening has been postponed until a later date.
