## Basketball Results

In what proved to be the best games of the town league played so far this season last night the Firemen defeated the Merchants 2 to 15, and the Industrials defeated the Soumerco-Lynn team 13 to 10. In the first game the Merchants took the lead early and held it nearly all the first half but the Firemen led by Jim Fisher went on a scoring spree and took the lead only to lose it again. Soon after the second half started the red shirted Firemen took the lead again and from that point on they were never overcome.

Nelson Leonard led the scoring
