## Appreciates Hospital

The following extract from a letter to Miss Flentye will be of interest to all Polk county friends of Miss Florence Cox, who was formerly home demonstration agent for this county, but who is now home demonstration agent in Hertford county:

My dear Miss Flentye:—

I was very much distressed to read in The Polk County News this week about the unstable condition of the St. Luke's hospital. I cannot imagine Tryon and Polk county without the services of that institution, and I am sure that the people will come to the rescue. However, just to help a little and in sincere appreciation for the many things the hospital and staff did for me while I had the privilege of being the home demonstration agent in the county, I am enclosing a small check. I wish it could be more but I feel that no amount can pay for the benefit 4-H club members and extension work have derived from St. Luke's and its efficient staff.

Very sincerely,  
Florence Cox.

## Dr. Sewall, Kiwanis Speaker

Dr. Charles G. Sewall will be the chief speaker Tuesday at 1 p. m., at the Landrum Imperial hotel when the Tryon Kiwanis club holds its regular meeting. Louis A. Avant, will be the current events speaker.
