## TAX LISTING

### IMPORTANT CHANGE IN PROCEEDURE

The law requires every property owner to appear in person or by authorized agent each year and list property. Listing by agent permitted non-residents. Heretofore, tax listers was permitted to list for you from last year's list, if you failed to appear.

Now listers are not permitted to do this; our instructions from headquarters are as follows:

"The owner must list in person or by authorized agent, otherwise property be listed by Chairman of County Commissioners as DELINQUENT, after close of listing. Penalty 25 percent for non listing. This is important notice, as it is a change from past custom."

Listing will be at my office over the A&P store, from 9 a. m. to 1 p. m. each Monday, Tuesday, Wednesday and Saturday, up to April 20th.
