

A Filler

Friday, the 21st, of June will be the longest day in the year and is the beginning of summer.

Jack Blackwell is having the Bulletin forwarded to him in New Jersey for the summer and M. P. Andrews is getting it at Flat Rock.

Tryon needs an 18-hole golf course.

Talking about scenery. There'll never be anything more beautiful than the sky in the west yesterday right after the rain. Colors and tints that tax the vocabulary to describe. Tryon views are never the same. A variety of changing beauty that is fascinating.

More new people are coming to Tryon every summer to enjoy the delightful climate, and some of the winter residents are staying longer each year. It is hard for many to believe that Tryon can be mild in winter and mild in summer too.

A Colored prisoner from the Prison Camp at Columbus died from a ruptured appendix at the hospital yesterday.
