Mrs. A. A. Merrick has returned from Greenville where she booked a house party for her camp on the seashore at Floral Beach during the week of July 29th. Mrs. Merrick leaves early Saturday morning with a party for the first week at camp. A new party will occupy the camp every eight days. The camp truck will make a trip to Tryon via Greenville on a regular schedule so that anyone can join the parties all during the summer. Floral Beach is 225 miles from Tryon.

Nothing is so refreshing as a dip in the Tryon Country club swimming pool. Come out for a picnic. Tennis, golf, swimming, hiking.—Adv.
