TO CELEBRATE BIG JULY 4th

Plans are underway for the biggest July 4th celebration ever held at Harmon Field. It will be bigger, more colossal and greater than ever. The beautiful fireworks display will be more colorful and more varied than last year. Old-time games and some new ones will be played, contests, dancing and mountain music are all in the plans. Musicians are invited to come and play. The whole county is expected to turn out and enjoy the holiday. Free ice water will be available and every family is urged to bring a basket of food and spread a picnic supper on the grounds or tables at 6:30. Many hundreds of people enjoyed the event last year and all are invited to come again. Everything is free. Bring your basket supper. More money is needed to buy fireworks. Donations will be appreciated. See C. J. Lynch or any member of the committee.
