

## Firemen Duck Chief

The Tryon Firemen are a live bunch of men when they get together for a good time as well as when they are fighting fires to save lives and property. Commissioner Ralph S. Jackson donated 14 nice frying chickens for the occasion and Chief Cook B. B. Bishop, Jr., fried them a golden brown over the open fire place at Harmon Field on Wednesday evening. Bec Glover was a master at mixing cabbage, pickles, celery, etc., into a delicious slaw, and Wayne W. Creasman, Spurgeon Arledge, Archie Butler and a number of others were busy helping prepare the feast. A highlight of the entertainment was a mock meeting that was called to order and it voted to throw Chief W. W. Creasman in Pacolet River. A spirit of fun prevailed. After the surprise was over the chief took the ducking good naturedly.

Mrs. L. G. McElhenny of Spartanburg is visiting C. J. Fisher and family.

Lake Lanier Inn entertained about twenty young people from Spartanburg at a swimming party on Wednesday evening. They were chaperoned by Mr. and Mrs. L. A. Linder of that city. Sandwiches and tea were served on the dock.
