Boys Recreation Club Will Be Formed Monday

The Boys Recreation Club will be organized on this coming Monday morning, July 1st. All boys who turn up will be founders of what may become a very important item in Tryon summer life. Boys over ten years of age are welcome and will meet with Dr. Taylor and his helpers at the Tryon school building. All pastors are asked to announce the opening of this club. Outstanding boys will be chosen as volunteer consellers and leaders. It is planned to recognize the finest all around club member at the end of the season by the gift of a cup. Besides games, soft ball, volley ball, and others, there will be a handcraft work with sloyd knives and the making of belts and overseas caps and those having talent will be encouraged to create their own designs and whittle them out. Hiking on Fridays, taking lunch and cooking it, will be open to all regular attendants at the club. This club is intended to be the creation of the boys themselves and all boys who are interested in planning a summer full of fun with a chance at craft work and leadership are invited to join. Parents and boys wishing fuller information may call on Dr. Taylor personally tonight at Mr. F. J. McDonald's home, or get him by telephone. Monday at 9:45 a. m., will be the opening time when founders of the club will be registered and the first session held.
