Tryon To Play Canton Today

The Tryon entry in the Industrial Baseball League will make their first appearance in Canton Saturday when they play the Champion Y outfit in a game which will start at 4 p. m.

The local club is tied for the league lead at present in the second half of the split season and will be gunning for Tryon full strength to preserve their position. Manager Weaver Sorrells stated that he would use the same line-up that has seen service in the past trio of games, and while unsure of his pitching choice, would probably start Charlie Schlemmer on the mound.—Canton Enterprise.

Revival Services

Rev. F. L. Bramblett, of Greenwood, will conduct a series of evangelistic services at the Pentecostal Holiness church, beginning July 12th, at 7:45 p. m. Services will be held at 8 o'clock each evening for two weeks or more.

This church is located about two miles above Tryon, on the Hendersonville highway. Public invited.

Be Thankful !

When you read of people dying from heat in Minnesota, the Dakotas and other Western states, be thankful that you live in Tryon. At our request the official Weatherman W. W. Greasman reports the following average temperatures for Tryon: During July 76.4; August 76.1; September 71.7. The day time temperatures runs between 80 and 90 sometimes but the nights often get as cool as 50 and 60 degrees.
