Card from Col. Daniel Boone at Reno, Nev., enroute with his family states that divorces are turned out in Reno at the rate of 150 in five minutes. Most of Reno's visitors have to stay six weeks, but the Boones saw all they wanted in six hours. Enroute they visited Governor Laffoon at Frankfort, Ky. and the Rocky Mt. National Park. They encountered heat waves, rain and snow. They witnessed John Cobb establish a world speed record on the speed track near Salt Lake City. He made 144 miles per hour.
