Cary-Kittrell

Friends in Tryon will be interested in the marriage of Francis Kittrell to Miss Frances Peay Cary, on Saturday, August 10, at Clarksville, Tenn. The bride is a niece of Governor Peay. The groom is a son of Mrs. C. W. Kittrell of Tryon Sunday's Tennessee Banner gave an account of the wedding. Miss Martha Farnsworth of Franklin, Tenn., was maid of honor and Mr. John Kittrell of Laurens, S. C., brother of the groom, was best man. Mrs. C. W. Kittrell and Mr. John Kittrell were among the guests at a dinner given for the bridal party at the Idaho Springs hotel on the eve of the wedding. The young couple are now spending their honeymoon in the mountains of Western North Carolina.

SPORTS

Judge Miller C. Foster who is spending the month of August in Tryon, is general chairman of the American Legion Junior Baseball tournament which is being held Friday and Saturday in Spartanburg. Teams from 35 states in the Union have entered the tournament. Today's Charlotte Observer carried a picture of Judge Foster on the sport page.

Another sport feature of interest to Tryonites was a picture of Bitsy Bryan Grant of Atlanta showing him receiving the Eastern grass court singles championship trophy after defeating Frank Shields. Bitsy Grant has played tennis on the Tryon courts while a guest in the home of Carroll P. Rogers. Grant was then a student at the University of North Carolina.

HOME BURNED

A cottage in the Valley owned by Miss Louise Lanham of Spartanburg was completely destroyed by fire Tuesday afternoon about 3:30 when an oil stove exploded. The house was occupied by a Miss Cohen, and guests from Louisiana who had been there only a few days. Everything in the house including clothes, about \$100 in cash and a valuable watch were destroyed. Some corners of the money bearing serial numbers were recovered from the debris this morning and it is hoped that the government will issue new money in its place. The fire burned too rapidly to save anything. A number of the guests were lying down resting when the fire started and a little baby had only his diaper to wear away from the burning home. The house loss was covered by insurance, it is said. The Tryon fire department arrived in time to save the home and some trees of Mrs. Wm. Mackay.

Tryon Boy Scouts, Albert Leonard, Greenwood Bishop and David Cromer took turns and kept watch over the burning coals all night in order to prevent sparks from spreading the fire.

Prominent Visitors

Guests today of Mr. and Mrs. Miller C. Foster at their summer cottage on Lake Lanier are Dr. and Mrs. Lee Collins, Mr. and Mrs. Roy Pennell, Mr. and Mrs. James Burnett, Mr. and Mrs. Oren Herring, Mr. and Mrs. Virgil Evans, Mr. and Mrs. Maury Pearson and Mr. and Mrs. E. W. Reel, all of Spartanburg.
