

## Johnson Says—

Crops, as a whole, are good, but the weevil infestation in cotton is much heavier than '34 with an added touch of rust in scattered sections . . . The members of Hickory Grove church have recently installed four new style lamps in the church, providing adequate light for any occasion . . . Deputy Smith made several trips through this section last week, causing lots of uneasy feelings . . . Revival services at the colored church this week are causing black crepe to be needed on many of our colored brethren's chicken roosts . . . The delinquent tax list appearing in The News reads like a "Who's Who" of Polk county, and undoubtedly is the reason for the unleashing of plenty of "Boo hoo's" in our midst.—James E. Johnson, writing Hickory Grove News for The Polk County News.

The Mud Creek Association of Colored Baptist church is meeting in Tryon at the Garrison Chapel Baptist church. The Rev. E. W. Dixon, of Asheville and head of the Great Smoky Mountain Jubilee Singers is one of the chief speakers, and Prof. Boyd of Nashville, Tenn., head of the department of literature is another. Services will close Sunday afternoon beginning at 3 o'clock. Services tonight.

## Tryon Colored Team Win In Baseball
