Boys Club Closes With Exercises Fri.

The awarding of the Silver Cup to the most outstanding boy of the Tryon Boys club will take place at the school on Friday morning at 11 o'clock. The cup is the gift of J. N. Jackson, Sr., in appreciation of the work of the club throughout the summer. The exercises will last but fifteen minutes and all parents and friends interested in the club are invited to attend.

At that time the shield won by the most outstanding of the three groups will be awarded and there will be an exhibition of the drawings, and the women belts, moccasins, and the overseas caps.

All town boys are welcome whether members of the club or not. A baseball game will follow the short exercises.

Dr. Keller at Kiwanis

Dr. Lewis H. Keller, summer pastor of the Erskine Memorial church, was the chief speaker at the Tryon Kiwanis club on Tuesday at 1 p. m., at Edgewood Inn. He spoke of the many favorable comments on this section made by prominent visitors, and told of the great work for retired ministers at the Penny Farms homes in Florida which is a beautiful haven built by J. C. Penny in memory of his father and mother. L. A. Avant had charge of the program. Members back from trips gave brief reports: C. P. Rogers from Wisconsin, W. E. Kilpin from the Carolinas coast and Holland Brady from Florida.
