

John Suttles of Greer, S. C. has completed the drilling of a well at Green Creek to supply water for the Green Creek School. The well is 218 feet deep and will supply approximately 40 gallons of water a minute. The opening of the Green Creek School was delayed this summer on account of insufficient water.

Z. V. Edney is in St. Luke's hospital suffering bruises and cuts as the result of being hit this morning by a truck on the Saluda-Tryon highway. The truck was driven by Oscar McDaniel of Chesnee, S. C. Mr. Edney was crossing the highway when he was struck, the driver reported.
