## TAX-EXEMPTION CERTIFICATES

Tax-Exemption Certificates for the cotton growers of Polk county are ready for distribution. To accommodate the farmers these were given out one day in Green Creek at Branscomb's store and one-half day at Taylor's store at Pea Ridge.

Any farmer who has not received his certificates should call at the office of the county agent and get them.

Certificates which were turned in to be exchanged for 1935 certificates have not been returned from Washington. As soon as they are received farmers will be notified.
