## Tryon Organization Invites New Members

The Membership Committee of the P.-T. A. most cordially urges every one interested in the Tryon school to attend the first P.-T. A. meeting on Monday afternoon at 3:30 o'clock. The splendid cooperation which this committee received last year was largely responsible for the work the P.-T. A. was able to do in beginning our Home Economics department. We are counting on your loyal support again this year. Will you not, just as many of you as possible, bring your membership dues of \$1 to the meeting Monday afternoon, and please be sure to hand them to the Membership Committee which will be at the door.

Mrs. Nelson Jackson, Jr.,  
Mrs. D. M. McGeachy,  
Joint Chairmen Membership Com.

## Garbo Celebrates Her 29th Birthday

Stockholm, Sept. 18.—Greta Garbo celebrated her 29th birthday anniversary today at her quiet cottage 60 miles south of Stockholm.

In Stockholm, crowds besieged the home of the motion picture star's mother and brother throughout the day, hoping to see the actress, but they were disappointed.

It was reported that Garbo will return to America in a month or two to make new pictures.

Late news flashes from Addis Ababa states that Ethiopia has gone more than half way toward peace with Italy by agreeing to accept almost entirely the League of Nations' proposals for a compromise to settle their differences.

## BANK ROBBER IS CAPTURED

One of the five bandits who robbed the Mars Hill branch of the Citizens Bank of Marshall of \$1,618 September 10 and shot and seriously wounded Miss Dorothy Sanderlin, 17-year-old Mars Hill college freshman, was captured in the Cosby section of Tennessee, near Newport, early yesterday and brought to the Buncombe county jail.

The bandit, who gave his name as John Cochran, confessed he was one of the five men who terrorized the small college town and robbed the bank. He gave his age as 27 and said he was from Newport.

Mrs. W. T. Sanderlin, mother of the young girl, who was shot in the abdomen, said last night that although her daughter was very ill, she had spent her best day since she was wounded.—Asheville Citizen.

## IL DeUCE

Ah! Mussolini, you're the  
DeUCE,—  
The wildest ever seen.  
You spell it *Ethiopia*,  
But *Egypt's* what you mean.

HILDA VON SILLER.

## WWNC To Give Program On Christian Science

A Christian Science program will be broadcast over station WWNC at 5:45 o'clock this afternoon. Bliss Knapp, teacher and practitioner of Christian Science, will give a series of questions and answers.—Asheville Citizen.
