Travel Officials To Visit Tryon

A group of approximately 40 travel agency officials will make an eleven day tour of the Carolinas about the middle of October. They will tour the great Smoky Mountains National Park and the chief scenic attractions of this section. They will spend the night of October 13 at Linville, the 14th at Bryson City, 15th at Asheville and the 17th in Tryon. Through the public spirited generosity of M. A. Richards, the facilities of Oak Hall and Lake Lanier will be opened for the use of the guests. Mr. Richards will donate lodging and supper and breakfast for the party. Other necessary expenses will be taken care of by local business people. Ideas for entertaining the group here are solicited from everyone in order that we may impress upon these officials the qualities of Tryon that will interest them in directing their tourist traffic to Tryon. The Bulletin office will be glad to receive any suggestions and pass them on to the committee on entertainment. We plan to publish a special souvenir edition of the world's smallest daily newspaper and present each guest with a number of copies. A fox hunt and ride has been suggested. What do you have to offer?

TURNER AT ROTARY

Dr. M. C. Paimer has charge of the Rotary program to be presented on Friday at Lake Lanier Inn, and his chief speaker will be Eugene Turner of Tryon and Nanchang, China, where Mr. Turner is a Y.M.C.A. official.

Rabies Law Arrests Will Begin Soon

Arrests for failure to have one's dogs vaccinated against rabies as required by the new state law will start after October 1, rabies inspectors announced yesterday.

A check-up has revealed that hundreds of dog owners have not yet complied with the law. Dogs may be vaccinated either by private veterinarians or by the inspector. In the latter case, the fees is 50 cents.—Asheville Citizen.

Employment Officials Will Meet Next Week

Raleigh, Sept. 24.—Officials of the Employment Services of the United States and Canada will gather in Asheville next week to discuss the problems of unemployment, other related problems and unemployment compensation as they affect the Employment Services, Mrs. May Thompson Evans, Director of the N. C. State Employment Service, stated here today as she announced the convening of the 23rd Annual Convention of the International Association of Public Employment Services in Asheville next week. Over two hundred and fifty Employment Service officials from Washington, each of the forty-eight States and Canada, will register at the convention headquarters in Asheville on Thursday and Friday, October 3rd and 4th. This convention will be followed by the National Conference of Directors of State Employment Services on October 6th through the 9th.
